

## BROWN & TOLAND'S EPIC EHR **EMPOWERING YOUR PRACTICE**

### **AN EHR DESIGNED WITH THE INDEPENDENT PRACTICE IN MIND**

- A complete electronic health record (EHR) and practice management system.
- Tools, systems integration, training and support that an independent practice needs to deliver high-quality care more efficiently.
- Standard offering provides services that are especially valuable for independent practices – at no additional cost.

### **TOOLS TO INFORM COMPLEX DECISIONS**

- **Maximize clinical efficiency:** Predictive analytics and embedded decision support tools support clinical practice to yield better outcomes.
- **Close more care gaps:** Interoperability provides instant access to your patients' medical histories, lab results, medications, allergies, and more.

### **CONCIERGE SUPPORT**

- Go-live support
- Comprehensive training: in-person, online and one-on-one
- 24/7 help desk support
- Ongoing maintenance and upgrades
